

Diode Array

Diode Array Features:

- Small Case: 1" x 2.5" x 4.25" long
- Diode: 1-2 amps continuous, 30-60 amps surge
- LED: Indicates electrical current
- Temperature Rating: -65 c To 175 c (-85 F To 347 F)
- Protective Coating: dielectric conformal coating
- Dielectric Strength: 850 volts/mil
- Standard D-Sub Connector (ref. to general information page)
- Wire Gauge: 20-28
- 13 Protective Diodes and pass-throughs

CTI PART# : 100-020014-01
